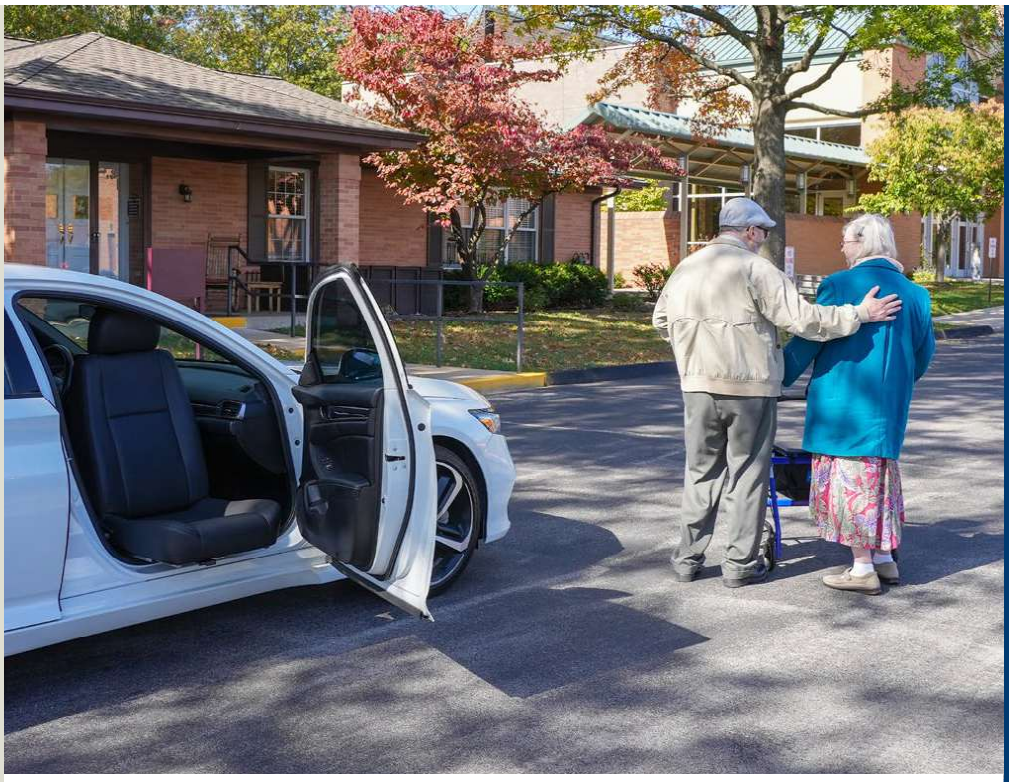
Shown with optional posture vest



Turny® Manual Seat

Basic Low Vehicle Solution

Entry Level

This elegant solution is ideal for anyone who needs a little help getting into and out of low vehicles.

Features:

- Manual swivel seat: rotates into door opening with 3 extension adjustment stops [1]
- 330 lb. capacity
- Original seat is removed and unmodified; easily reinstalled
- 3-year limited warranty (3 year parts/1 year labor)

Vehicle Types

- Low vehicles - passenger cars, minivans, small CUV
- Seating positions: front passenger, 2nd row in some minivans

Seat Types

- Aftermarket seat
- Seat comes standard with textured faux leather, which provides additional grip and stability for those with compromised core strength
- Optional upgrade to smooth faux leather seat for easy, effortless transfers - upgrade comes standard with adjustable lumbar support
- Options for armrests, child safety latch kit, padded hip positioning belt and posture vest

[1] The two aft positions are crash tested and approved for use when riding in the vehicle. The full-forward position is only available for extending over the door sill when entering and exiting the vehicle.

Turny® Seat Material Options

All Turny® seats come standard with an aftermarket seat covered in textured faux leather material. There is also an optional upgrade available to smooth faux leather material. Both versions are scratch-resistant, easy-to-clean and come in a choice of 7 colors to pair with vehicle interiors.
